

# Eyenetnetwork Connect Anytime Audio

## Connect Locally, Meet Globally.

Need to host a meeting with people around the globe? With the lMeeting, you can instantly coordinate worldwide audio meetings and get your business done. Invite attendees to dial in from their office, home or mobile phone – from around the world, at anytime.

## Bridge the gap

Eyenetnetwork Connect is a reservationless audio conferencing service that gives you access to a range of freephone and local access points around the globe, including all the major business centres.

## Meeting management features

With Eyenetnetwork Connect, you get innovative audio meeting features including:

- > Unique passcodes for hosts and attendees to access and control the quality of the meeting
- > 24/7 support assistance
- > Mute/un-mute capabilities and individual volume controls
- > Quick dial-out capabilities to bring attendees into a meeting

- > Record the conference call at the touch of a button
- > Audio integration with the leading web conferencing products for a truly collaborative meeting
- > Online account management to view meeting reports, access recordings and adjust preferences

## Security

Increase the security levels of your meeting with features such as:

- > Additional security codes that can be enabled by the host and provided to attendees
- > Announce attendees names as they enter or exit the meeting
- > Keeping attendees on hold until the host joins
- > Conducting a roll call of all attendees in the meeting

## Benefits of using Eyenetwork Connect

- > **Flexibility and Affordability.** Local and International freephone give you and your attendees multiple options to join a meeting.
- > **Convenience.** Easy-to-use automated features require no reservations or operator assistance. Meet at anytime, from anywhere.
- > **Speed.** Local Access numbers utilise a fast IP Network connecting you to clients and colleagues anywhere in the world.
- > **Increased Productivity.** Meet whenever you want. No need to worry about travel time or travel budgets.

## Get customer support

- > Press \*0 on your telephone keypad to reach live customer support at any time during your meeting.
